ORDER GRANTING REQUEST TO RESCHEDULE STATUS CONFERENCE

This matter is before the Hearing Officer upon the request of Ben Lomand Communications, Inc. ("Ben Lomand") to reschedule the status conference previously scheduled for March 23, 2005. The status conference had been rescheduled to that date pursuant to the *Order Granting Request for Addition Time to File Rebuttal Testimony and Modifying Procedural Schedule* issued on February 25, 2005. On March 1, 2005, Ben Lomand filed its request that the status conference be rescheduled to March 24, 2005 at 2:00 p.m. instead due to scheduling conflicts. Counsel for Ben Lomand indicates that counsel for Citizens Telecommunications Company of Tennessee, LLC has no objection to the request.

The Hearing Officer finds that the request to reschedule the status conference is well taken. Therefore, the procedural schedule is modified as follows:

March 24, 2005

Status Conference at 2:00 p.m. to discuss establishment of the remainder of the procedural schedule, including a determination of the type of proceeding before the panel, a date for the proceeding and a briefing schedule

IT IS THEREFORE ORDERED THAT:

The status conference previously scheduled for March 23, 2005 is rescheduled for **March 24, 2005 at 2:00 p.m.**

Jean A. Stone, Counsel
as Hearing Officer
